*The Centers for Medicaid & Medicare Services defines a new patient as one who has not received professional services from a provider in the same group practice within the previous three years, and an established patient as one who has received professional services from a provider in the same group practice within the previous three years.

To review allowable payments for Medicare and Medicaid, visit www.medicare.gov or www.medicaid.gov and use the Current Procedural Terminology (CPT) code to look up current average reimbursement.

This is not a comprehensive list of services provided by our clinic. These charges are meant to be informative and do not reflect the amount you may owe for your care. Individual health plans have negotiated rates with University of Minnesota Physicians. To get an accurate estimate of the payment rate University of Minnesota Physicians will receive related to your care, and/or an estimate of what you may need to pay out of pocket, please contact your insurance company.
